

# PLEGA LIFT CHAIRS

RECOMMENDED BY HEALTHCARE PROFESSIONALS

www.plega.com.au

The Plega Lift and Recliner Chair is electrically operated with an optional built-in Massage Therapy Unit.

Our chairs offer maximum comfort and convenience to those suffering from arthritis, rheumatism, stroke and other mobility problems. Your budget and selection of coverings from our large range of Vinyls, Fabrics and Leathers will determine your ultimate investment.

Fingertip button controls on both the chair and massage units make it easy to find your position.

Sit, snooze, sleep, rise, recline or enjoy the benefits of deep massage all at the touch of a button... what could be easier!
